

Worship Committee report for 2018

(Continued from last week)

We are appreciative of the comfortable Worship space we enjoy. Thanks to those who look after the buildings and organise the heating and cooling and change the banners; Claire and others who make sure the Worship space is ready; the stewards and greeters, the Bible readers, Communion stewards, projectionists and those who lead in prayer. Kerry Chisholm and Peter Hazell for putting out the Messenger. Those who organise the various rosters, and to Ray Creek for the announcements and making sure the Bible readers are ready. And we cannot forget the tea makers, servers and washer uppers,

Gideons request

The challenge of a new school year for our community of the Manning Valley and Great Lakes is rapidly approaching. Gideons view this as an opportunity to meet our goal of sharing the Gospel of Jesus Christ. In this particular case the high school students of Year 7. So we as Gideons now humbly approach the Body of Christ with a request for prayer that God will: Guide the planning of our placement of God's Word (the re-

and those who count and bank the offering. All jobs that need to be done and that enhance our Worship - thank you all.

As we come to the end of this year, we look forward as a congregation to the challenges ahead. We are confident that God will continue with us, to lead and guide, so that as we fellowship together, we will ever be faithful to His word and renewed and revitalized to do His work.

Open the hearts of the children to receive the Gospel. Finally, help us to always act in love when we have an opportunity to speak about Jesus.
